

2008 Leaf It To Rusk Fall Festival Rusk County Geocache Contest

Team Name: _____

Team Members (1 to ? can be a team): _____

Contact Person: _____ Phone: _____

Address: _____

Email: _____

25 (Twenty-five) geocaches have been placed throughout Rusk County. Most of the caches are easy to moderate in difficulty and terrain, and are regular size (small ammo can). Inside each cache is a clue. The caches are numbered below; when you find a cache write down the clue found inside. All the clue's lead to one answer of something to do with Rusk County. It could be a person, place, event, etc. from the past or today.

3 Ways to Win

1. All teams that turn in an entry form will be entered in a drawing for (5) \$25 Chamber Dollar certificates. Teams will be entered in the drawing according to the number of caches that they have found. (i.e. 5 caches found = 5 entries, the more you find the better your chances of winning)
2. The first 50 teams that submit this entry form with at least of 10 of the 20 caches found, will receive the Rusk County Geocaching gift.
3. All teams that correctly solve the final answer will be entered for a drawing for the grand prizes. The Grand Prize is a \$500 Rusk County gift package, which includes \$250 in Chamber dollars and \$250 in merchandise. The second grand prize is a \$250 Rusk County gift package, which includes \$125 in Chamber dollars and \$125 in merchandise.
