

CRITTER TALES

From the Rusk County Animal Shelter

Volume 138

February 2015

FEBRUARY IS SPAY/NEUTER

MONTH: Spay/neuter vouchers will be available again at the animal shelter for all Rusk County residents. These vouchers offer a \$10-\$25* discount towards the spay or neuter surgery of a cat or dog at the vet of your choice. **The vouchers are valid during the month of February only & there is a limit of one voucher per family.** Now is the time to fix your pet and avoid unwanted litters. Ladysmith Vet Clinic & Ladyvet Animal Hospital will have our vouchers on hand, so if you are making your appointment with them, you don't need to pick up a voucher from us. Call early to schedule your appointment.

*The value of the discount is dependent on the type & sex of the animal. Please know that this program is available from the recycling of aluminum cans that we collect all year. So please donate your cans to us. We will pick them up if you have a large amount. If we don't get cans, we cannot continue to offer this discount program. Donations have dropped off lately, so this may be the last year that we can offer this program. Thanks. ☺

RED ALERT! Remember to keep chocolate away from your pets. It is poisonous to them. Please keep your Valentine candy safely tucked away.

GORDY'S RECEIPTS: We have just been informed that Gordy's is discontinuing their Receipt Redemption Program. ☹️ The program ends January 31. They are giving us a little time to get our receipts in for redemption, so please bring us all of your receipts dated in January or earlier. We want to thank everyone who has collected them for us over the years. You helped our shelter earn over \$1500 in Gordy's gift cards. We truly appreciate it.

HELP US WITH OUR NEW "WALK FOR A DOG" FUNDRAISER TOOL:

We have partnered with WoofTrax in their "Walk for a Dog" program. If you download their app on your phone & then start that app every time you walk your dog, our shelter earns money for every mile you walk. There's no cost to you. Go to www.WoofTrax.com to learn more about the program, download the app, and sign up for our shelter. Tell your friends and family! The more people who sign up for our shelter, the more money we will raise.

HAVE A HEART – ADOPT!

Meet Tuna. He is a neutered male He is six months old and gets along with kids, other cats, and we think dogs too. He is a sweet kitten that would add a lot of enjoyment to whoever adopts him. The shelter has a lot of homeless pets waiting for their forever home. If you love animals and can afford to bring another one into your home, please consider adopting one from us. Thanks.
