

Bulky Item Pickup-City of Ladysmith

Bulky items such as old furniture, mattresses, windows, etc. can be placed for collection at any time of year on your normal garbage day using normal garbage stickers. In order to have the bulky item picked up please attach garbage stickers to the item, below you will see some common items with a sticker amount required for disposal. If you have questions regarding the amount of stickers needed please call City Hall at 715-532-2600. Also keep in mind that if someone else may be able to use the bulky item you are trying to get rid of, place the item a few days before your normal garbage collection and someone might just pick it up. If not, put the proper amount of stickers on it and it will be collected with your other garbage.

Recliner / Lazy boy - \$4.00

Love seat without hide-a-bed - \$4.00
