

LADYSMITH AREA GARAGE SALE

Saturday, Sept. 28 from 8am – 4pm

There will be a community garage sale this year as part of the Leaf it to Rusk Fall Festival. Do you have something you need to get rid of and don't want to throw away? Those interested in having a garage sale are encouraged to call the Rusk County Recycling Dept. no later than September 18 to be put on a map that will list all the garage sales in the Ladysmith area. Those that live outside of the Ladysmith Area can participate by having their sale in the Connections Store & More parking lot. You will be given a designated area and are responsible for your own tables, chair, tent, etc. and must be set up by 8am. Sales at this location will be from 8am to 2pm. Limited spots are available. Maps will be available at the Rusk County Visitor Center and City Hall the week of September 23. There is no cost to be put on the map.

For more information contact Charmaine at the Recycling Department at 715-532-2167 or email charmaine@ruskcountywi.us.
