PUBLIC HEARING
DOUGLAS & REBECCA NIELSEN
JUNE 13, 2017
TWO CAMPING UNITS ON ONE PARCEL

Members Present: David Willingham, Phil Schneider, Arian Knops, and Mark Schmitt.
Staff Present: CeCe Tesky and Yvonne Johnson.

Chairman Willingham called the public hearing to order at 2:00 P.M. The purpose of the public
hearing was a conditional use request to allow two camping units on one parcel on the following
described real estate:

Lot 7 Fireside Lodge Subdivision in the NW ¼ - SE ¼, Section 23, T33N, R8W.
Site Address: W12595 County Hwy D

Property owner: Douglas & Rebecca Nielsen
225 3rd Ave SE
Plainview, MN 55964

Tesky read the notice of public hearing which was posted per the requirements of a Class (2)
otice. The town clerk and owner were notified by Certified Mail and neighboring property
owners within 500’ were notified by First Class Mail. The DNR was notified by email, which is
their preferred method. Tesky explained that the township has approved the application.
Reviewed the application. Chairman Willingham explained the public hearing process.

Chairman Willingham asked for anyone in favor of the request. Bill Doberstein stated he is in
favor. Rebecca Nielsen stated the campers are for her two daughters who are here about 4 times
a year. They are not hooked up to septic or water. They are used for privacy.

Chairman Willingham asked for anyone to speak in opposition to the request. Ed Sanchez who
lives two lots down spoke against. He said he has been a taxpayer since 1977. He objects
because approving this request sets precedence for use on the lake. Allowing multiple units on
one lot suggests there is no limit. Also, it is not a level playing field. His property has a deed
restriction that does not allow campers. Ed read his deed restriction. He asked the committee to
consider fairness and equity.

Patricia Darsow also spoke against. She has been on the lake for 40 years. The deed restrictions
were placed because they didn’t want campgrounds on individual lots. Darsow stated that with
the campgrounds in the area now, you can’t get into the boat landing. This causes dense usage
on a small lake. The campers are also much bigger than they used to be. They can be lived in
year round. People renting out the camper, by having people pay fees or part of the taxes takes
away to intent of the Kozels when they subdivided.
NOT COMMITTEE APPROVED

Rebecca Nielsen stated their lot is not a campground. Their children do not pay them or pay the bills. They are here about 4 times a year. She is not aware of a deed restriction.

Tesky read a letter from Andrew & Brenda Schlafer regarding their concerns.
