V. Sheldon & C. Ladysmith

Members of the Rusk County Responsible Unit may use ANY of the above listed sites for recycling services. The Rusk County RU consists of most of Rusk County except Villages of Tony & Weyerhaeuser; Towns of Big Falls, Dewey and Grow.

Contact your municipality officials to find out where to bring your garbage, what the costs are, and if they have a spring or fall cleanup.

TOP RECYCLING CONTAMINANTS

1. **Sharps & Bio-Hazardous Waste:** Includes syringes and needles, diapers & other sanitary products. These are dangerous & put staff at risk.
2. **Plastic Bags:** Recycle them locally.
3. **Materials in Plastic Bags:** Workers have to slow the conveyor belts to rip open bags that contain recyclables and then add the bag to the heap of bags bound for the landfill. The bags contaminate materials and waste time & money.
4. **Shredded Paper:** It's too small to sort. Place it in a paper bag and staple bag shut and place in bin.
5. **Scrap Metal:** Do not place in bin no matter what size. These items cause excessive damage to the recycling equipment - recycle locally.
6. **Hazardous Waste:** Bring to annual Cleansweep. Discard hazardous waste containers.
7. **Electronics:** These are landfill banned but DO NOT belong in your bin. Recycle them locally.
8. **Liquids:** When bottles are compacted for shipping, liquids drip, splatter and explode all over the floor, creating a sticky, smelly mess on the sorting floor. Please completely empty and quickly rinse out all containers before recycling.
9. **Ceramics or Non-Recyclable Glass:** Ceramic, china, dishes, mirrors, light bulbs, Pyrex[®], porcelain and window glass should NOT go in the bin. Their different melting points and chemical compositions will ruin new glass bottles.
10. **No caps or Lids on Glass Bottles or Jars:** Metal lids can be removed and recycled loose in the bin. Plastic lids and caps from glass bottles and jars should be thrown away.

PLEASE do not put any non-acceptable items in your bin. Call the Recycling Dept. at 715-532-2167 if you have any questions on what is and isn't recyclable.
