Checks are to be issued for prize payouts only. The County will deposit funds to match prize  
payouts, and then take those funds back when the fundraiser is over. A separate minimum  
balance of County Funds will be carried to keep the account open.  Motion by Hauser second by  
Dave to approve the opening of the checking account.  Motion Carries.

Murray explained the need for a $9600 database for the Spillman project that was approved at  
Emergency Services. The old data needs to be refined and would not be accurate if filtered into  
the new system. Funds will be taken out of the Sheriff’s Department Budget, not the capital  
projects fund.  Motion by Hraban second by Hauser to take funds from the SD budget with  
borrowing to be discussed later.  Motion carries.

the new rate structure and forward to the County Board.  Motion Carries.

second by Hauser to approve the opening of the account by the Treasurer.  Motion carries.

Judy Srp called in about the subscription request. Rusk County Abstract uses the unlimited plan,  
which allows one user. The additional users would normally cost $400, they would like a  
discounted rate to increase to three users. The discussion from Carol would amend all users of  
the monthly rate versus the one company.  A motion by Willingham second by Hraban to approve  
up to three users in Fidlar on the unlimited plan for $400 per month.  Motion Carries.  Andy will  
follow up with ROD.

Andy presented the Capital Improvement plan. Capital improvements will be greater than $5000

Andy informed the committee that the outsourced billing has started transition. The ambulance  
operations are still in negotiations.
