Petition for Emergency County/Bridge Aid from the Townships of Atlanta and Stubbs.
A petition for emergency County/Bridge Aid from the Townships of Atlanta and Stubbs was reviewed by the Committee. E. Wundrow explained that the bottom of a culvert shared by the towns of Atlanta and Stubbs had gone out during the recent storms/flooding and the Highway Department repaired. Steven Tlegs, Chair for Town of Atlanta came to the Highway Department sometime after the repairs were made and questioned weather the two townships that own the subject culvert could receive emergency culvert aid. Per State Statute 82.08 (4) and Corporate Council the townships can receive emergency culvert/bridge aid. A formal petition from the Towns of Atlanta and Stubbs was delivered to the Highway Department on 8/31/2010 to be reviewed by the Highway Committee. N. Mertes explained that the Highway budget does not have the emergency funds for the emergency aid requested and the request should be forwarded to the Finance Committee.

A Freeman/Gierke motion to approve the petition from the Townships of Atlanta and Stubbs and move to the Finance Committee to address funding of this project. Motion Carried.
