Chairman Willingham called the meeting of the Rusk County Zoning Committee to order at 2:06 p.m. in the Law Enforcement Center at the Rusk County Courthouse. Members present were: Dave Willingham, Kathy Mai, Tom Costello, Phil Schneider and John Stencil. Staff present: CeCe Tesky and Yvonne Johnson.

Chairman Willingham adjusted the agenda order to address the floodplain issue first. Tesky stated it has been 6 months since the meeting with FEMA officials. We are still waiting for a written response to our request regarding the use of LiDar to remap our floodplain maps. Ken Hinterlong has given several dates when we should expect to receive them. Nothing has been received yet. Discussed whether FEMA may have funds to help with LiDar or remapping. Discussed asking the County Board to set aside environmental funds for LiDar. Motion by Costello-Mai to send a resolution to the County Board to reserve power line funds in the amount of $200,000 until the end of 2011 for LiDar mapping if the DNR will commit to using the data to remap the floodplain. Motion carried. Tesky noted that at a district meeting, a DNR official stated Wisconsin is changing how they do floodplain mapping because of Rusk County.

Stencil left the meeting at 2:26 P.M.

Motion by Schneider-Costello to approve the minutes of the 9-1-2010 and 9-10-2010 meetings. Motion carried.

There were no bills to be reviewed.

**CSM’s**
1 lot CSM in the Town of Big Bend for Marc Weisner. This map was here last month and has now been revised. The owner needs to remap the remainder of the NE ¼ - NW ¼ of Section 23. The easement has been relocated. Motion by Schneider-Costello to approve the map with Administrator recommendations, mapping the remainder of the parcel, and the surveyor review being approved. Motion carried.

1 lot CSM in the Town of True for Mosaic Telecom tower site. Tesky explained that the lot meets the standards. Motion by Costello-Schneider to approve the map upon receiving the surveyor review. Motion carried.

Tesky gave an office update. Permits are up and there have been more permits for new homes. We still may not meet the budgeted amounts in the sanitary permit or land use permit revenue lines.

Next meeting is scheduled for November 3 at 12:30 P.M.

Chairman Willingham adjourned the meeting at 3:00 P.M.
